DRBCCC HINDU COLLEGE
Department of Historical Studies
HELM 30 Hours Certificate Course Report

Venue: Dharmamurthi Cunnan Seminar Hall

The students of department of Historical studies attended the 30 hour HELM Course which, The Yoga and Meditation Cell, in collaboration with the Heartfulness Educational Trust. They conducted a 30-hour certificate course called HELM (Heartfulness Enabled Leadership Mastery) for III BA History and III BA Telugu students of Shift 1. The program, which spanned from 01/08/2023 to 25/10/2023, covered six essential leadership modules: connection, core, context, choice, causality, and community. Day 1 started with Inauguration program on 01/08/2023. Sri D. Nagarajan led all the classes, imparting valuable knowledge to the students. The valedictory program featured Smt. Kayalvizhi.V, Head of the Department of Historical Studies, as a special guest, and Dr. G. Kalvikkarasi, the Principal, provided a special note. Dr. Muduluru Suresh, the convenor of the Yoga and Meditation Cell, delivered the Vote of Thanks. Co-ordinators Dr.K.Gurumurthy, Assistant Professor Department of Computer Science and Mrs.Jayalakshmi.V, Assistant Professor, Department of Computer Applications coordinated the program. Totally 77 students were benefited. The course proved to be a transformative experience, equipping students with critical leadership skills and personal development, and the collaborative effort was deemed a resounding success. Our students participated with much enthusiasm and energy. The topic covered in the program were much beneficial for the development of their character, outlook, thought process and creative thinking abilities.

ONE DAY WORKSHOP ON "INTERVIEW TECHNIQUES"

- o Date : 05.03.2024
- o Venue : Cunnan Conference Hall
- o Resource Person : Dr. Arumugam Gurusamy

The Department of Commerce organized a seminar on "Interview Techniques" to equip students with the necessary skills and knowledge to succeed in job interviews. The seminar featured Dr. Arumugam Gurusamy as the resource person, who provided valuable insights and guidance on interview strategies. The session aimed to be interactive and informative, allowing third-year students from the department to actively participate and enhance their interview skills. The presence of Dr. Arumugam Gurusamy as the resource person added significant value to the session, providing practical insights and guidance to enhance students' interview skills. Overall, the seminar successfully equipped students with valuable knowledge and skills to excel in job interviews and paved the way for their future career success.

conducted a Kindness Campaign to serve the society. As a part of this campaign an the students of the department generously contributed groceries, books, stationery and sanitary pads to 42 families of the Rangapuram village in Thiruvallur district. This project was executed on 20th October, 2023 where 25 students and 2 staffs paid visit to Rangapuram Village to hand over the above listed items to all the families in the village. The residents of the village appreciated the initiative of our students. This project aimed and achieved to inculcate the sense of social responsibility in the young minds thereby cultivating the custom of being compassionate towards the economically deprived people.

All student contributors received an e-certificate from BHUMI. Dr.Rajsree Rajesh, Organizer, received an Appreciation Certificate for organizing the project. Our College also received shields for the Invaluable Contribution during the Daan Utsav Campaign and Certificate of Social Responsibility.

DHARMAMURTHI RAO BAHADUR CALAVALA CUNNAN CHETTY'S HINDU COLLEGE

Entrepreneurial Development Cell Report for the Year 2023 – 24

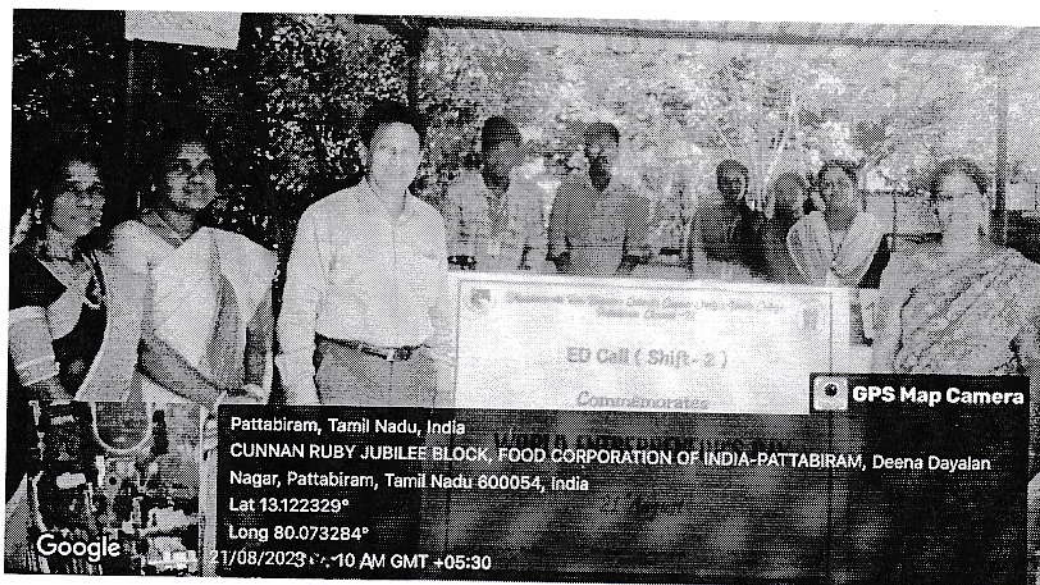

1. Inauguration: ED SALES COUNTER

The ED cell started the ED SALES COUNTER in our college premises for this academic year 2023-24 on 21st Aug 2023 in lieu of the **WORLD ENTREPRENEUR DAY**.

CHIEF GUEST: Dr. G. Kalvikkarasi, Principal, DRBCCC Hindu college

Dr. N. Rajendra Naidu, Director, DRBCCC Hindu college.

Through this sales counter students from all the departments are given a chance to exhibit their Entrepreneurial skills by placing for 3 days like Food Stalls, Mobile Accessories, Stationaries, Beauty Products, Fancy jewelry, etc., This paves them and starts towards their business journey inside the campus.

Respected Madam

We hope this letter finds you in good health and high spirits. It is with great pleasure and honor that I extend this invitation to you to join us as one of the guest speaker for our upcoming Communal Harmony Day celebration, which will be held on 1st October 2023 at Terapanth Jain Vidhyalaya, Sowcarpet.

Communal Harmony Day is an occasion where we come together as a community to celebrate the rich diversity of cultures, religions and traditions that make our society unique. This day serves as a reminder of the importance of unity, tolerance, and understanding among all sections of our society.

Your presence would be a source of immense inspiration and motivation for our participants and attendees. Your valuable insights and experiences in promoting communal harmony will undoubtedly enrich the event and leave a lasting impact on all those who attend.

We kindly request your confirmation at your earliest convenience. Should you require any further information or have any specific requirements, please do not hesitate to contact us at 9380915456.

Thank you for considering our invitation, and we hope that you will honor us with your presence on this significant occasion. Together, we can strive for a more harmonious and inclusive society.

Yours sincerely,

Lalith Anchaliya

अणुव्रत से मानव में मानवता का होता विकास : साध्वी सिद्धांतश्री

अणुव्रत उद्बोधन सप्ताह के प्रथम दिन सर्वधर्म सम्मेलन का हुआ आयोजन

साम्प्रदायिक सौहार्द दिवस पर धर्म गुरुओं ने शांत, आनन्द, प्रसन्नचित्त रहने की दी प्रेरणा

चेन्नई 01.10.2023 : अणुव्रत विश्व भारती सोसायटी के तत्वावधान में अणुव्रत समिति, चेन्नई की आयोजना में अणुव्रत उद्बोधन सप्ताह के अन्तर्गत प्रथम दिन साम्प्रदायिक सौहार्द दिवस का आयोजन किया गया। युगप्रधान आचार्य श्री महाश्रमणजी की सुशिक्षा साध्वी लावण्यश्रीजी ठाणा- 3 के पावन सात्रिध्य में आयोजित सर्वधर्म सम्मेलन में राजयोगिनी ब्रह्माकुमारी बीना दीदी- समन्वयक तमिलनाडु पुडुचेरी केरला, इस्लाम धर्म से डॉ श्रीमती जैनुव बी, हिंदू धर्म से सिद्ध गुरु श्री सैमी कंदा गुरु सिद्धर (श्री थोत्रमुदेया अम्न अरुल ज्ञान पौदम) एवं सिख धर्म से श्री ज्ञानी प्रतिपाल सिंह (हेड- ग्रंथि) ने सहभागिता निभाई।

◆ अणुव्रत सूर्य के प्रकाश की भांति जनोपयोगी

साध्वी सिद्धांतश्री ने कहा कि धरती पर जब जब धर्म का हास हुआ, तब तब विभिन्न धर्म गुरुओं ने अपने-अपने सिद्धांतों के आधार पर धर्म का प्रचार प्रसार किया। भारत के आजादी के समय वह रही खून की नदियों को देखते हुए मानव में मानवता का विकास, नैतिकता का निर्माण, इंसानियत के जागरण के लिए आज से 75 वर्ष पूर्व जैनाचार्य तुलसी ने अणुव्रत आन्दोलन का सूत्रपात किया। वर्तमान के भौतिकतावादी वातावरण में अणुव्रत सूर्य के प्रकाश की भांति जनोपयोगी है। हमें जो बहुपयोगी मनुष्य जन्म मिला है, उसका संयम के साथ सार निकालना चाहिए। ज्ञानाशाला, सेलम ज्ञानापीठों ने प्रशिक्षिकाओं के साथ मिल बहुत ही सुन्दर ज्ञानवर्धक प्रस्तुति दी। जिसे पुरे सदन ने ऊँ अहम् की ध्वनि से सराहा।

◆ धर्म गुरुओं की वजह से ही धर्म टिका हुआ

कार्यक्रम के मुख्य अतिथि श्रीमान् विजयराज कदारिया (वी आर जेवल क्राफ्ट, चेन्नई) ने कहा कि धर्म गुरुओं की वजह से ही धर्म टिका हुआ है। इंसान का नैचर अच्छा हो, परिवार, समाज के साथ जुड़ा हुआ हो तो उसका कल्याण होता है।

◆ हर परिस्थिति में रहे खुश

इससे पूर्व तेरापंथ जैन विद्यालय, साहुकारपेट में आयोजित इस कार्यक्रम में श्रीमती रेखा मरलेचा के साथ अणुव्रत समिति सदस्यों द्वारा मंगलाचरण से कार्यक्रम का शुभारंभ हुआ। राजयोगिनी ब्रह्माकुमारी बीना दीदी ने कहा कि परिस्थितियाँ प्रतिकूल हो सकती है लेकिन हम शांत रहेंगे, खुश रहेंगे, प्रसन्न रहेंगे तो संतुष्ट रहेंगे। हम सृष्टि पर कर्मयोगी है, परमात्मा की संतान है, हिलमिल कर रहना चाहिए।

About the Workshop

We will integrate drama with mythological stories providing students an opportunity to work collaboratively on them and view the problems and issues in the stories from various perspective and raise their own awareness & learning from it. Students will learn about theatre and performing arts and transform simple stories into wonderful scripts. Students will be equipped with key critical thinking skills, performance skills, speaking and writing skills, public speaking skills and teamwork. Through drama and art in education, students can also be imparted the knowledge of pronunciation, intonation as well as storytelling.

About the Resource persons

Sri GANGAPATLA THIRUPATHI

He was Rtd. employee of I C F (Grade - I Technician), Chennai. He learned the epics well which helped him to render the padyams and dialogues appropriate to the scene with clarity and bhava. He won the prizes as "best actor" and "best villian" in the "Mayala Pakeeru" Drama competitions held at I.C.F. Institute. In between padyams, he created dialogues suitable to that scene that earned appreciation of the audience. Even though he made only short raga, he earned the accolades of the illiterate audience also, which is surprising since they are accustomed to the long winding ragas. He acted throughout the Andhrapradesh state and major cities in India. He received many awards including the "Trust award". He had a melodious voice and created his individual style of rendering verses, which became a trend for the later artists for the role of Harichandra. His other popular roles were Ravana, Duryodhana, Mahavishnu, Eeswaran, Narakasura, Jalandhar, Bhashmasura and Vishwamitra etc. He is famous for the roles of Duryodhana, Jalandhara and other villain characters and also mayasabha mono action. Endowed with the correct physical features for the villain characters. He is about 66 years of age and still acting.

Sri RAGHURAM. R

Mr.R.Raghuram presently working in the department of Visual Communication DRBCCC HINDU COLLEGE. He has experience of more than two decades. He started his teaching career in the year 1999 in Department of Visual Communication THE NEW COLLEGE Chennai. His thrust area are Advertising, Human Communication, performing Arts. He is a visiting guest lecture in the Manonmaniam Sundaranar University, Tirunelveli.

Report of One day workshop on 'Stage Drama Skills' for Students

(Date of the Program: 31. 07. 2023)

ABOUT THE WORKSHOP

A one-day workshop on 'Stage Drama skills' for Students was conducted by the Department of Telugu in Collaboration with Department of Visual Communication, Dharmamurthi Calavala Cunnan Chetty's Hindu College. The day was divided in three sessions: two sessions in pre-lunch and one session in post lunch. We will integrate drama with mythological stories providing students an opportunity to work collaboratively on them and view the problems & issues in the stories from various perspectives and raise their own awareness & learning from it. Students will learn about theatre and performing arts and transform simple stories into wonderful scripts. Students will be equipped with key critical thinking skills, performance skills, speaking and writing skills, public speaking skills and teamwork. Through drama and art in education, students can also be imparted the knowledge of pronunciation, intonation as well as storytelling.

INAUGURAL SESSION

The workshop Inaugural session started with the enchanting prayer by Students. The dais was shared by Dr. G. Kalvikkarasi - Principal, Dr. Mudduluru Suresh - H.O.D. of Telugu, Sri Gangapatla Thirupathi, Stage Drama Artist & Director and Sri Raghuram, Assistant Professor & Head, Department of Visual Communication, DRBCCC Hindu College. Thirty eight Students and three faculty members are participated in the workshop. Mudduluru Suresh delivered welcome speech and gave a brief introduction of the resource persons and then Dr. G. Kalvikkarasi inaugurated the programme. She emphasized the importance of the programme. The inaugural session ended up with the vote of thanks by Dr. T. Kalpana which was followed by scheduled sessions.

SESSION - I

The morning session was on 'Drama with Indian mythological stories'. The participants explored the history and origins of Drama and also looked into the contemporary possibilities. The various elements that go into the making of a play and building of characters were discussed and demonstrated at length. Mythological plays, operating within mythic time, deal with characters and situations recorded in ancient stories. Particularly it deals in the Ramayana and Mahabharata and the Indian puranas.

SESSION – II

The second session of workshop was scheduled to the topic of '**Objectives of Drama and Art in Education**'. The Resource person Sri Raghuram demonstrated a power point presentation about Types of Drama, difference between Drama and Theatre and Importance of Drama and Art in Education. Language learning skills are also strengthened through the use of drama and art in education.

SESSION - III

The last session of the day was practice session. The resource person Engaged with their peers in a fun and controlled group environment. Various drama related activities were conducted which helped them hone their acting skills and build on their powers of observation and understanding. The need for constant practice and updating of skills was also discussed in depth. Students will also know about body language, impromptu performance and presenting a story in front of an audience.

VALEDICTORY SESSION

The Chief Guest of the valedictory function was Sri Gudimetla Chennaiah, General Secretary, JANANI, Chennai. Speaking on the occasion, Chief Guest asked the students to be different from others and focus on doing extraordinary things in life. He stated that ordinary people look for security but extra-ordinary people look for opportunities and appealed to all the students to maximize the opportunities to demonstrate their success. The chief guest said that success is the cumulative results of small steps and one should not be carried away by the failures. Also, the chief guest urged the students to enhance their thinking skills to offer innovative solutions for the problems prevailing in the society. Importantly, he asked the students to learn to manage their stress and enhance the potential and skills to become super engineers. In addition, he requested the students to find ways to overcome the struggles and obstacles. While concluding his speech, he urged the students to be humble and grateful to everyone and live every second of their life with happiness and peace. The workshop was winded up by 3.30 pm. Dr. T. Kalpana (Assistant professor) delivered the "vote of thanks" on behalf of the Department and the College.

STUDENTS FEEDBACK

There were 38 participants in the workshop and the experience was personalized and each of the participants was given detailed feedback and tips to improve his or her performance skills. The feedback obtained from the students revealed that:

- ★ The program was useful to all of them.
- ★ Helps in enhancing their communication and leadership skills.
- ★ They need programs of this kind to be conducted at regular intervals.

At the end of the workshop, the learners will have:

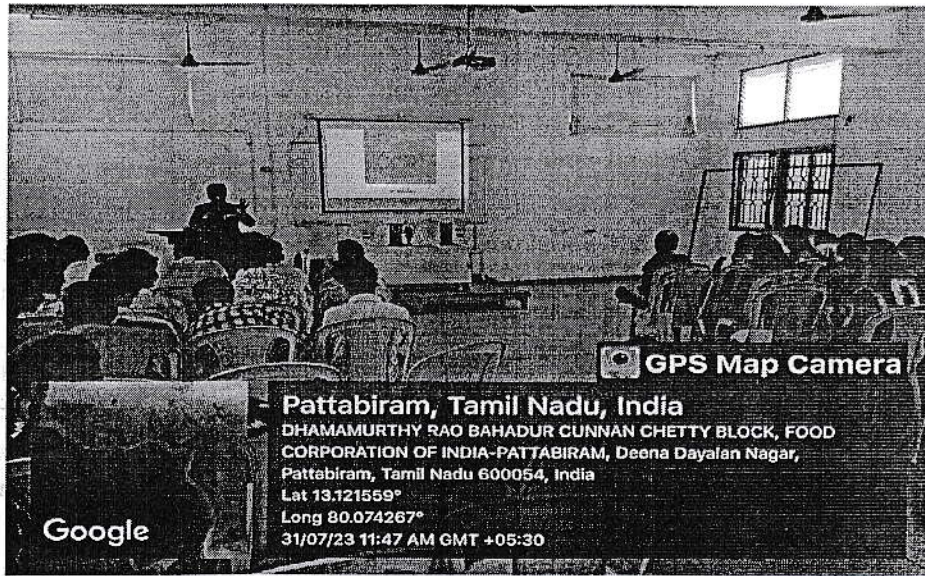

Give wings of confidence to you self by learning social and emotional skills through a variety of drama based activities and techniques. It is the need of the hour to make ourselves responsible individuals with a changed mindset. Building strong, confident and creative self requires a holistic approach to education and these drama workshops focuses on the same by imparting education through drama that acts as a very strong medium for bringing about a CHANGE. Acting skills are actually incredibly beneficial as they can also help young people to learn other essential skills such as learning to be more sensitive towards their peers, learning how to better interpret feelings and emotions, exploring their creativity, learning time management skills, learning communication skills, and learning discipline, dedication, persistence and commitment. These drama workshops focus on skills like personality development, social responsibility, communicative skills, creative expression, decision making all while covering aspects like..

- ★ Building Drama skills doesn't just improve stage technique, but also builds on other things such as empathy and confidence.
- ★ Had acting technique training (focusing on vocal skills, body language, tackling realism, and more).
- ★ Performed short published plays to a live audience.
- ★ Experienced rehearsal techniques and their benefits.
- ★ Learned time management skills.

Respected Madam/sir,

We HIKE ASSOCIATION seek permission to organize a one-day Workshop on Terracotta jewellery making at our esteemed institution in association with Pidilite. The workshop will be conducted by professional artisans from Pidilite, who will guide students through various techniques of jewellery making using safe and easy-to-handle materials. Participants will have the opportunity to create their own pieces of jewellery, thereby fostering their creativity and craftsmanship.

Hence I request to do the needful.

Respected Sir,
Subject: Fevicryl Hobby Ideas Workshop – Reg.

Creative Minds is an initiative of Pidilite Industries Limited to further awareness and skill in the field of Art & Craft amongst the young Creative minds. We undertake different activities in schools/Colleges, which help the students, expand their creative horizon with the help of art and craft.

All our activities are designed keeping in mind the abilities as well as the growth needs of the students. These activities will help the students to express themselves creatively and extend their world of imagination thus helping them to grow up into a well – rounded individual.

This refers to the above subject we have planned to conduct Workshops in your college mainly to create the habit of painting, which we believe a vital tool to strengthen the relationship, love & affection between the Students and their parents & also with the friends in the society.

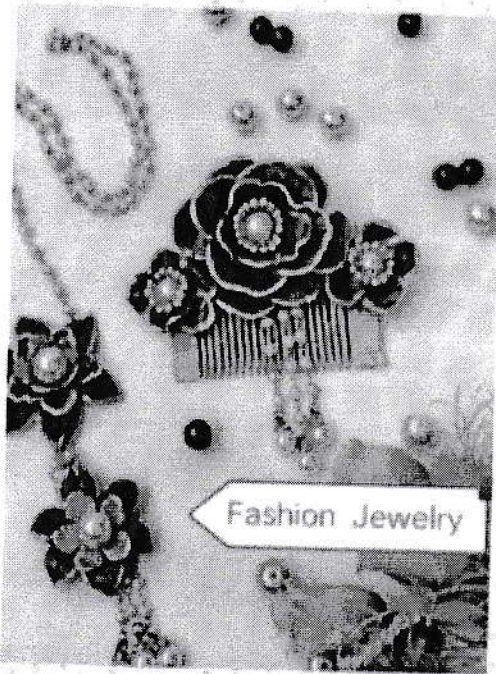

College has to select the type of activity, which they prefers to do for their students and dates & time to be intimated to us earlier so that we organize our expert teachers in advance for the workshop. Students has to bring the mentioned materials to the workshop, there is no separate charges to participate in the workshop.

HIKE IN ASSOCIATION WITH PIDILITE

ORGANISED

ONE DAY WORKSHOP ON JEWELLERY MAKING ON 11/3/2024

The Hike Association of DRBCCC Hindu College in association with Pidilite Industries organised one-day workshop on jewellery making aimed to provide students with practical skills and knowledge in jewellery crafting techniques. The workshop took place Dharmamurthy Cunnam Hall at DRBCCC Hindu College, with the college's facilities providing an ideal environment for hands-on learning. The workshop began with an overview of the art of jewellery making, including its history, significance, and contemporary trends, the skilled artisans from Pidilite Industries conducted live demonstrations of various jewellery making techniques. The Participants were provided with materials and guidance to create their own jewellery pieces. They had the opportunity to experiment with different designs and techniques under the supervision of experienced instructors. The Participants gained practical skills in jewellery making, empowering them to explore their creativity and express themselves through their own designs.

The jewellery making workshop organized by Hike Association of DRBCCC Hindu College in collaboration with Pidilite Industries was a resounding success. Participants not only acquired new skills and knowledge but also found inspiration and encouragement to pursue their interests in the field of jewellery making. The event exemplified the college's commitment to providing holistic learning experiences that enhance students' personal and professional development.

Dear Madam,

Sub: Submitting the SIEFL Report for the academic
year 2023-2024- Reg.

It is with great pleasure that I submit to you the report
on the courses conducted by SIEFL (**Seethamma Institute of English and Foreign Languages**) for
the academic year 2023-2024. I am looking forward to a more productive academic year 2024-2025. .

Thanking you

Yours Sincerely

R. Balasubramanian
R. Balasubramanian

SIEFL-Report

(Seethamma Institute of English and Foreign Languages)

2023-2024

Introduction

The Seethamma Institute of English and Foreign Languages (SIEFL), named after the kind the supportive wife of our illustrious founder Dharmamurthi Calavala Cunnan Chetty Garu started offering courses in German Language from the year 2010 and in English Pronunciation from the year 2011. The syllabus for both these courses have been modified over the years based on the students' learning experience and the feedback received from each batch. Till date ten batches of students have completed **A Course in English Pronunciation** and five batches of students have completed the **German Language Course** levels A1 and A2.

The Course in Pronunciation went online in the year 2022 (Jan-May 2022) and the German Language Course has gone online in the year 2023. Thanks to the paradigm shift caused by the Covid pandemic and the wide ownership of and access to Android phones among the students, the courses could be taught in the form of pre-recorded lectures with face-to-face classes fulfilling the role of clarification sessions.

Course in English Pronunciation -Basic

The Course in English Pronunciation-Basic (CIEP-Basic) teaches rules of English word stress to the students. The syllabus for this course has a duration of 50 hours and a total of 34 videos were produced to cover the contents of the course. The Jan-May 2022 course was treated as the pilot phase and the students who joined were asked to give their honest feedback to improve the course. It is this course that was offered in the current academic year (2023-24) to a group of 11 students- details of whom have been attached to this report. This report also has published the links to the videos. The videos were set to "unlisted" in the privacy settings so that only the group that enrolled in the course could view the videos.

German Language Course

The German Language Course is being offered at the A1 level to 65 students. Videos for the course have been posted from July 2023. The course is still in its pilot phase and a detailed report will be submitted in the next academic year (i.e. 2024-2025). As things stand now there is a requirement to produce at least 150 videos of an average length of 20 minutes to

cover the contents of the course. At present 11 videos have been made and shared with the students and feedback has been sought from them to improve the videos. The plan is to complete the course by February 2025.

Report

Introduction:

The Department of Public Health Dentistry, Meenakshi Ammal Dental College conducted an awareness program on oral hygiene and a checkup to assess the efficacy of mouthwash among the college students and staff at DRBCCC Hindu College. The primary objective was to evaluate the effectiveness of mouthwash in reducing oral bacteria and promoting oral health.

Methodology:

Awareness Program: A comprehensive awareness program was organized to educate the participants about the importance of oral hygiene, proper brushing techniques, and the role of mouthwash in maintaining oral health.

Checkup: A total of ⁹⁹~~927~~ participants voluntarily enrolled in the checkup session. The participants were briefed about the procedure, and their consent was obtained prior to the examination.

Assessment: The oral examination included an evaluation of plaque accumulation, gingival health, and oral hygiene practices. Additionally, participants were asked about their frequency of mouthwash use and brand preference.

Results:

Among the participants, 60% reported using mouthwash regularly as part of their oral hygiene routine. The most commonly used mouthwash brands were Colgate, Pepsontent.

Oral Examination Findings:

Plaque Accumulation: 50 % of the participants showed a reduction in plaque accumulation compared to the previous checkup.

Gingival Health: Most of the participants demonstrated improvement in gingival health following regular mouthwash use.

Participant Feedback: The majority of participants expressed satisfaction with their chosen mouthwash brand and acknowledged its positive impact on their oral health.

Discussion:

The findings suggest that regular use of mouthwash contributes to improved oral hygiene by reducing plaque accumulation and promoting gingival health.

Educating individuals about proper oral hygiene practices and the benefits of mouthwash is crucial for maintaining good oral health. Further research could explore the long-term effects of mouthwash use on oral health outcomes and its role in preventing dental diseases.

Conclusion:

The awareness program and checkup conducted by the Department of Public Health Dentistry, Meenakshi Ammal Dental College at DRBCCC Hindu College highlighted the importance of mouthwash in maintaining oral hygiene. The findings emphasize the need for promoting oral health education and encouraging regular mouthwash use among individuals.

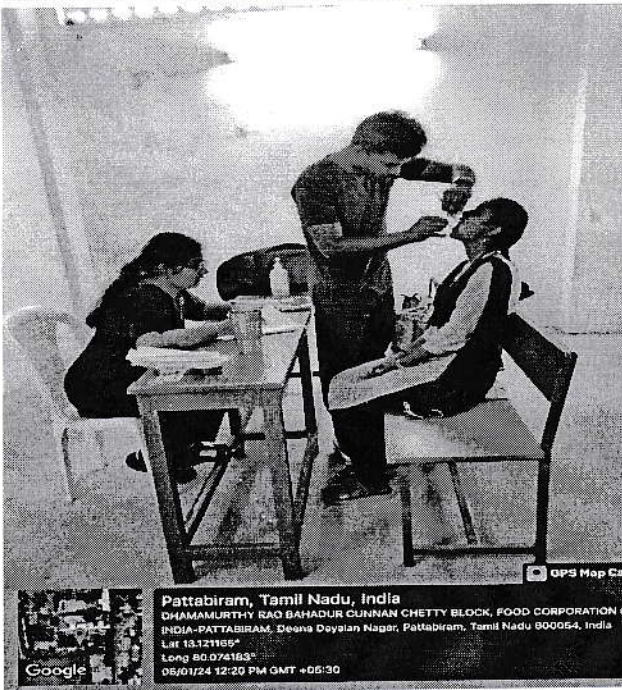

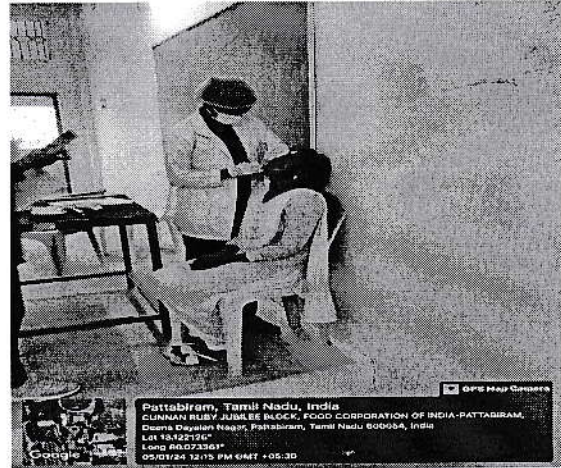

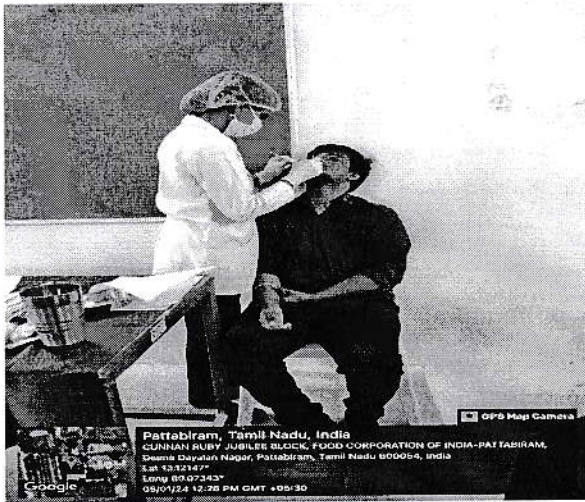

Recommendations:

Continued education and awareness programs on oral hygiene should be organized to emphasize the significance of mouthwash in oral health maintenance.

Collaborative efforts between dental professionals and educational institutions can further promote oral health initiatives within the community.

This report serves to document the outcomes of the efficacy assessment of mouthwash conducted at DRBCCC Hindu College and provides insights for future oral health interventions.

Capability Enhancement Programme on Tech Banking - Report

The Department of Data Science has organized the Capability Enhancement Programme on "Tech Banking" chaired by Sri. K. Parathasarathy on 15/09/2023 to create awareness to our first year students to create awareness about financial technology about utilization of financial services.

The introduction to the event by emcee, S. Pandeewari, first year data science and programme started initially with a prayer song by M. Manjula, P. Mohana Priya, N. Gayathri, and S. Jamuna first students of Data Science, and welcome address addressed by J. Keerthana, first year Student of Data Science. P. Nivetha first year data science introduced our Chief Guest and honored by Dr. D. Lakshminarayanan, HOD of Data Science. A Total of 4 students attended the programme.

Chief Guest Sri. K. Parathasarathy, distinguished retiree with 34 years of experience as a Bank Officer specializing in core Banking and Computer Technology. He has conducted programmes on technology banking at various institutions. The speaker explains the banking system was in operation before the launch of the computer system in our country. He also discussed functionalities of Automated Teller Machine and recent works on VSAT for ATM. Usage of BioMetric ATM for disbursing the cash to the customer were discussed with real time examples. He shared that all major banks now adapted to the core banking system. This has simplified the day to day banking operations and the technology on banking reduced the crowd management.

After his lecture the students were given time to interact with him. Students felt that the session was more informative and interactive. At the end of this programme, two students gave their feedback, and explained how they benefited. Finally vote of thanks proposed by V. Santhosh, the student of 1 year Data Science

About The Programme

Dharmamurthi Rao Bahadur Calavala Cunnan Chetty's Hindu College, Department of Computer Science with Data Science, is hosting a Capability Enhancement Programme for first-year Data Science and Artificial Intelligence students. The program aims to familiarize students with the latest trends and opportunities in the field of Artificial Intelligence and Data Science.

Our Chief Guest Sri Ashokraj Vadivelu

We are honored to introduce Mr. Ashokraj Vadivelu, our Honorary Advisor for the event. A distinguished alumnus of CIT (Coimbatore Institute of Technology) from the Mechanical Engineering batch of '93, he boasts a remarkable 28-year journey in the realm of supply chain, information management, and business intelligence in IT consulting.

Mr. Vadivelu's expertise shines through as he has played pivotal roles in various operational capacities throughout his career. Notably, he currently holds the esteemed position of CEO at Intelizest, a trailblazing Supply Chain enabler solutions company that operates on the Industry 4.0 framework. His extensive experience has garnered recognition across Fortune 500 corporations and startups alike, establishing him as a seasoned Business Technology Executive.

What sets Mr. Vadivelu apart is his commitment to innovation. His recent accomplishment involves pioneering a 'No Code' solution in Logistics, Warehouse, and Procurement for diverse industry verticals. Beyond his professional accomplishments, he's driven by a passion for mentoring individuals and teams. He artfully connects their purpose to the mission of the enterprise, embodying a true leader in every sense.

Report- Student's Capacity Building Training - NSIC, Guindy Chennai.

The Department of Electronics and Communication Science had arranged a Student's Capacity Building Training Program, for the II year & I year students, at National Small Industries Corporation, Guindy, Chennai, from 20.9.2023 to 26.9.2023.

We, the Students and the Staff members are very much thankful to the Management, Honourable Secretary, Principal and Director for giving us permission to carry out the Certificate Course training successfully.

Around 41 students from II year & I year ECS, attended the Student's Capacity Building Training Program on the topic "Computer Hardware & Maintenance".

The Computer Hardware and Maintenance course at NSIC was designed to equip the students with essential skills and knowledge in computer hardware components, troubleshooting, and maintenance. The students were very much interested in gaining expertise in computer hardware.

The training program covered a wide range of topics related to Computer Hardware and Maintenance, including:

- Introduction to computer hardware components
- Assembling and disassembling computers
- Troubleshooting common computer hardware problems
- Repairing common computer hardware problems
- Software Installation and Configuration
- Basic Networking Concepts
- Safety precautions when working with computer hardware

The students had hands-on experience, through lab sessions. The students practically worked and gained a better understanding of how computers work.

On completing the course, the students,

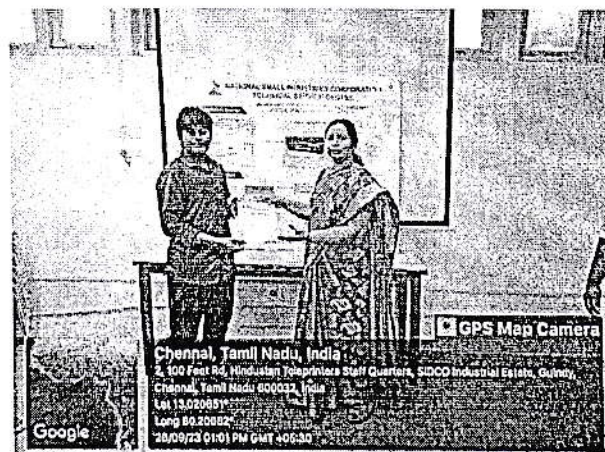

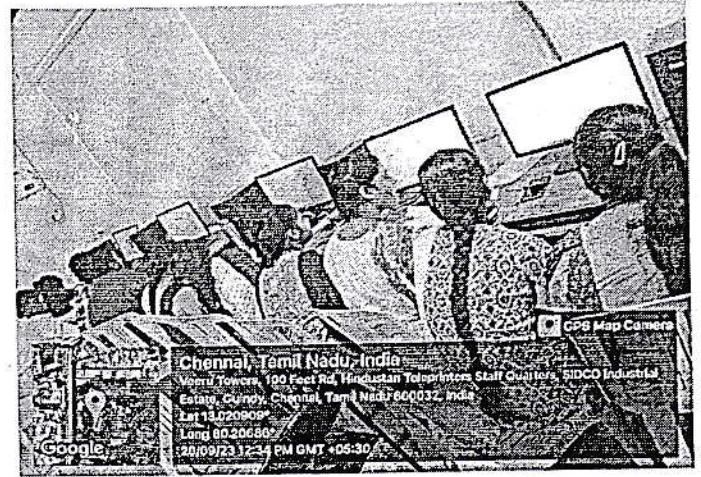

- Learn the skills needed to troubleshoot and repair common computer hardware problems
- Prepare them for a future career in computer hardware maintenance or IT support
- Increase their interest in job awareness in the field.

All Students successfully completed the training program and received certificates of completion.

Capacity Building Programme on Stress Management

Date:19-03-2024 & 20-03-2024 & 21-03-2024 Time : 12 noon to 1.00 P.M

venue: RJB Seminar Hall

The Department of Computer Science organized a capacity building programme on stress management through heartfulness meditation from 19-03-24 to 21-03-24 one hour per day for second year students. Mr.Nagarajan and Mr.Senthilvijay from heartfulness Education trust conducted a stress management programme for the students, the purpose of the programme was to introduce participants to Heartfulness Meditation techniques as a means to manage stress and promote overall well-being.

The program commenced with an introduction to Heartfulness Meditation, explaining its principles and techniques. Participants were guided through various meditation practices aimed at cultivating inner peace, relaxation, and emotional balance. The program emphasized the role of meditation in reducing stress levels and enhancing mental clarity.

Participants were taught a relaxation technique to calm the mind and release tension from the body, preparing them for meditation. The core practice of Heartfulness Meditation involves focusing on the heart center and experiencing the inner presence of the Source of Light. Participants were guided through this meditation technique to connect with their inner selves and experience a deep sense of tranquility.

About the Workshop

The aim of the workshop is to empower the students to become more proficient in Mathematics and Statistics and to equip them with the skills necessary for success in academic, professional and everyday life contexts. The students will be benefited from the knowledge and experience of renowned mathematicians and educators who will share their insights and expertise in various mathematical fields. They will also receive valuable tips and strategies on how to excel in Mathematics, learn time management techniques, problem solving approaches and effective study habits that will boost their performance in assessments.

The primary objectives of the workshop are to develop student ability to apply mathematical principles and techniques in real-life situations, to enhance participants' understanding of various mathematical topics and their connections and to install a positive attitude towards mathematics and cultivate a sense of intellectual curiosity and love for the subject. The other tool which plays an important role in the field of life sciences, engineering, management, humanities and allied sciences is statistics. The recent advancement in application oriented sciences is compelling the researchers and users for learning and understanding the statistical tools for modelling and analysis of the data arising from their experiments. Realizing the need of the time, the present workshop will equip the participants with the statistical basics, background and fundamentals behind the tools.

About the Resource persons

Prof. Dr. T. Muthukumar is an esteemed faculty member in the Department of Mathematics & Statistics from the prestigious IIT Kanpur. He is recognised internationally for his expertise in the area of Homogenization on rough domains and Fluid-Solid-Structure Interaction, Data as Measures, Optimal Control Problems. He has been at the forefront of pioneering research and has published numerous papers in leading scientific journals. His contribution to the field of Mathematics has been widely acknowledged and has earned him several accolades, including FONDECYT-CONICYT, Chile, October 2008, Postdoctoral Scholarship, French Science Today, Scholarship programme by Embassy of France in India, January 2008, Post Doctoral Fellow, National Board of Higher Mathematics, October 2006, Research Fellow, National Board of Higher Mathematics, July 2000, and Lectureship in Mathematical Sciences, June 2000. His extensive knowledge and experience make him an ideal resource person for our workshop; his presence and contributions will undeniably enhance the learning experience for all participants, leaving them with valuable takeaways.

Dr. B. Ravikumar is an esteemed Scientist at CSIR-Central Leather Research Institute, Chennai and also a Honorary Faculty at Anna University. He has an exceptional teaching record, having mentored numerous students, researchers and even fellow scientists throughout his career. His area of interest includes Applied statistics, Modelling, Moderation, Structural Equation Modelling (SEM), Business analytics and Management, Socio-economic Survey. He is a reviewer of Journal of Applied statistics, Taylor & Francis, online journals. His teaching methodology encourages curiosity, critical thinking and hands-on learning, fostering a deep understanding and love for Statistics. He has published several papers in various National and International journals and conferences.

Mr. M. Palanivel Rajan, Associate Vice-President, Global procurement is a member of STRANE which was established in 1980 with 20 delivery centres across the globe to provide content outsourcing services to publishers and information providers. He has more than 17 years of experience in developing global purchasing strategies, nurturing long term business partnerships and significantly reducing expenses.

Above three ideal Resource Persons are Notable Alumni of our college.

DEPARTMENT OF MATHEMATICS

Two Day Workshop on Mathematics and Statistics (14.8.2023 & 16.8.2023)

On 14th August & 16th August, 2023 Our Department hosted a Two Day Workshop on the topics "Mathematics around Us" and "Applications of Statistics Using Excel".

Dr. T .Muthukumar, Professor, Department of Mathematics & Statistics, IIT Kanpur, Uttar Pradesh, Dr. B. Ravikumar, Scientist, CSIR- CLRI, Chennai and Sri . M. Palanivel Rajan, Associate Vice President, Global Procurement, Chennai were invited as the Resource persons.

The aim of this workshop was to empower the students to become more proficient in Mathematics and Statistics and to equip them with the skills necessary for success in academic, professional and everyday life contexts. The event was attended by the First, Second and Third year Students of our Department.

Day 1: Mathematics around Us

Resource Person : Dr. T .Muthukumar, Professor, Department of Mathematics & Statistics, IIT Kanpur, Uttar Pradesh

The first session focused on showcasing how mathematics is present in various aspects of our everyday lives. The following key topics were covered:

This segment explored the Mathematical concepts found in headlight reflector, Dish antenna and suspension bridges. He also discussed about Brachistochrone problem, Mathematics in medical achievements, Indra's pearl, Boudhyana and Pythagoras theorem. He also highlighted the role of mathematics in technological advancements. It included discussions on how algorithms, calculus, and geometry are utilized in fields like computer science, engineering, and robotics. The students were fascinated by the correlation between mathematical principles and the natural world.

Day 2: Applications of Statistics

Resource Persons: Dr. B. Ravikumar, Scientist, CSIR- CLRI, Chennai & Sri . M. Palanivel Rajan, Associate Vice President, Global Procurement, Chennai.

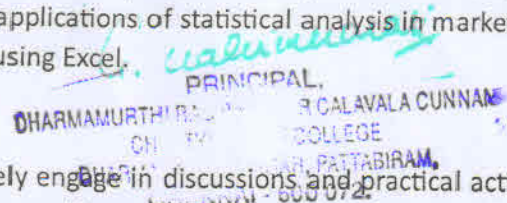

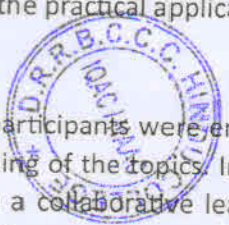

The second session focussed on the practical applications of statistics in various fields. The following topics were covered:

This section explained the importance of data collection, sampling techniques, and interpretation of results were emphasized. Case studies were presented to illustrate real-world applications of statistical analysis in marketing. The workshop also shed light on the practical applications of Statistics using Excel.

Discussion and Activities:

Throughout the workshop, participants were encouraged to actively engage in discussions and practical activities to consolidate their understanding of the topics. Interactive exercises, problem-solving sessions, and group discussions were conducted to promote a collaborative learning environment. Participants were also provided with reference materials for future study and were encouraged to ask questions and seek clarification during the Q&A sessions.

The highlight of the Workshop was that the resource persons encouraged the students who answered their questions with the honorarium they received for the talk.

Conclusion:

The workshop on "Mathematics around Us" and "Applications of Statistics" successfully achieved its objective of creating awareness about the practical implications of mathematics and statistics in our daily lives. Participants gained a deeper understanding of how these subjects are integrated into various fields and their significance in decision-making processes.

Overall, the workshop received positive feedback from participants who expressed their gratitude for the insightful sessions and interactive activities. By expanding their knowledge and realizing the pervasive influence of mathematics and statistics, attendees now have a better understanding of their relevance in their personal and professional lives.

Objectives:-

1. Students to learn what personality is?
2. Students to learn how to develop personality?

The department of computer science organized a Skill Enhancement Program on Personality Enrichment. The resource person is Ms. Grisha AL, Founder – Neyagam Wellbeing Centre, Psychologist, Global Speaker and Art Based Therapist and Assistant professor (English) in Loyala ICAM College of Engineering and Technology, Chennai.

The schedule of the program started on 22/09/2023 at 3.00 pm. The venue for the program was Cunnan Ramanujam Chetty Conference Hall–Science Block.

The Resource person explained clearly to the students how to develop their personality and how to control different types of emotions. The sessions were really informative, interactive and knowledge oriented.

After that questions and interaction session was held in which students raised their doubts regarding the different forms of questions.

Student Outcomes:

Students gained knowledge about personality and how to develop personality.

“Innovation & Entrepreneurship Outreach Program Drive”
On 02/02/2024

Objective:

- To foster a culture of innovation and entrepreneurship among students (teenagers),
- To equip aspiring entrepreneurs with essential skills and knowledge.
- To contribute to economic growth and job creation.

Benefits of attending:

- Enhanced entrepreneurial skills, fostering an innovation mindset, job creation, economic growth, sustainable ventures, long-term impact, personal growth, and community development.

About the Outreach Program:

- The Department of BCOM ISM organized an Innovation & Entrepreneurship Outreach Program Drive at the Government Industrial Training Institute (ITI AMBATTUR), in collaboration with IIC, DRBCCC Hindu college where we aimed to inspire and educate young learners about the world of innovation and entrepreneurship.
- During the interactive session, we shared exciting ideas, real-life success stories, and engaging activities to spark their creativity and problem-solving skills.
- By fostering an entrepreneurial mindset at an early age, we hope to empower these students with the tools and confidence to pursue their passions, think outside the box, and become future leaders in various fields.

- Through such outreach initiatives, we aspire to contribute to the development of a more innovative and dynamic society.

Highlights of the Outreach Program:

The Innovation & Entrepreneurship Outreach Program organized a successful visit to ITI, where we aimed to introduce the exciting world of innovation and entrepreneurship to the students. The highlights of the program were:

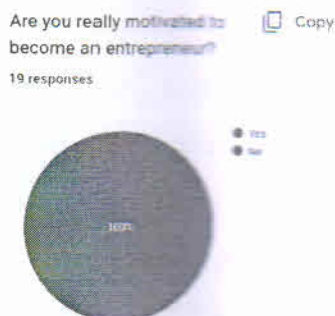

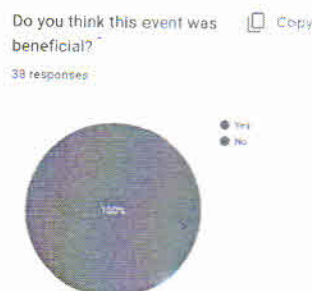

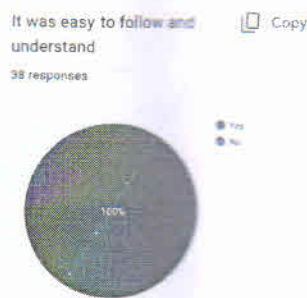

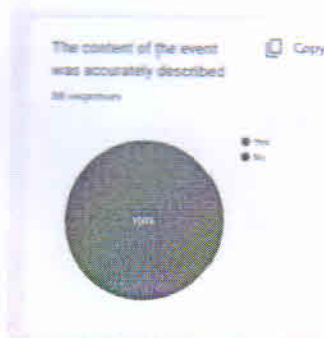

- Inspiring Presentations: The program started with inspiring presentations, where future aspiring entrepreneurs and innovators shared their personal journeys and success stories. This motivated the students to dream big and believe in their own potential.
- Interactive Workshops: Engaging workshops were conducted to introduce students to the basics of entrepreneurship. Through group activities and brainstorming sessions, they learned about idea generation, problem-solving, and the importance of innovation in today's world.
- Real-life Case Studies: We presented real-life case studies of young entrepreneurs who started small ventures and achieved remarkable success. This allowed students to connect with the stories and understand that age is not a barrier to pursuing their dreams.
- Hands-on Activities: The students were encouraged to participate in hands-on activities, such as startup ideas. This practical approach helped them grasp the fundamental concepts of entrepreneurship.
- Q&A Sessions: Interactive Q&A sessions were held, allowing students to ask questions and seek guidance from the speakers. This personalized interaction boosted their confidence and curiosity about entrepreneurship.
- Entrepreneurial Mindset: The program focused on nurturing an entrepreneurial mindset among the students. They were taught to view challenges as opportunities and to approach problem-solving with creativity and resilience.
- Importance of Failure: Students were encouraged to embrace failure as a stepping stone to success. They learned that failure is a natural part of the entrepreneurial journey and an opportunity to learn and grow.

- **Entrepreneurship as a Career Option:** The program emphasized entrepreneurship as a viable and fulfilling career option. Students were exposed to the various support systems available for aspiring entrepreneurs, such as incubation centers and startup accelerators.
- **Team Building:** Through team-building exercises, students learned the significance of collaboration and teamwork in building successful ventures. **Vision for the Future:** The program concluded with a visioning exercise, where students were encouraged to envision their future as successful entrepreneurs and leaders in their chosen fields.

Overall, the Innovation and Entrepreneurship Outreach Program at the Industrial Training Institute had a profound impact on the students, igniting their passion for entrepreneurship and instilling a sense of self-belief. By introducing them to the world of innovation and entrepreneurship at a young age, we hope to shape a generation of creative thinkers, problem solvers, and change makers who will contribute positively to society's growth and progress.

Respected sir,

Greetings from the Dept. of BCOM, ISM, and DRBCCC Hindu College!

The department of Bcom ISM, in association with the institution's Innovation Council at DRBCCC Hindu College, organizes the Innovation & Entrepreneurship Outreach Program Drive" to discuss, create, and foster a culture of innovation and entrepreneurship among students.

The main focus of this program is to create **increased awareness among students** regarding the role of entrepreneurship in addressing unemployment and fostering entrepreneurship development.

I request you to accept our letter and permit us to conduct this awareness program at your institution on February 2, 2024, from 2 p.m. to 4 p.m. for two hours.

I have attached the document related to the Innovation & Entrepreneurship Outreach Program Drive to this email for your reference.

Theme: inspire social action and spark a movement for job creation.

OBJECTIVES

The BCOM ISM Department at DRBCCC Hindu College, in collaboration with the IIC organizer's "**Innovation & Entrepreneurship Outreach Program Drive**" to create:

Increased awareness:

Creating increased awareness among school students regarding the role of entrepreneurship in addressing unemployment and fostering entrepreneurship development.

Knowledge Transfer:

Dissemination of innovative strategies and fostering a deeper understanding of entrepreneurship promotion.

EXPECTED OUTCOME:

Develop innovative thinking among school students

Entrepreneurs frequently envision products or services that have not existed heretofore, so developing these tech-savvy capabilities in high school can give them a distinct advantage over their peers when they reach adulthood.

Lead through collaboration:

Entrepreneurship programs hone their communication skills and collaboration; they develop respect, empathy, camaraderie, and trust, preparing them for leadership as they enter adulthood.

Combine tenacity with confidence in young minds.

Young people need confidence and tenacity to turn life's challenges into learning experiences; entrepreneurship is so important for students to gain confidence, viewing challenges as opportunities rather than personal failures.

BAKERY PRODUCTS WORKSHOP REPORT

Our college Entrepreneurial Development Cell and Institution Innovation Council in association with Khadi and Village Industries Commission conducted "Entrepreneurial Skill Development Training Program on Bakery Products". It was conducted as two batches from 5th -10th of February and from 12th -16th February 2024 in which 52 students participated in this workshop.

The programme was started with small inauguration session where in Dr. G. Kalvikkarasi Principal, M. Jawaharlal Nehru Head of commerce department addressed the gathering and felicitated. Shri. M.S. Khanna Executive (training /capacity building) Khadi and Village Industries Commission was our resource person for this programme.

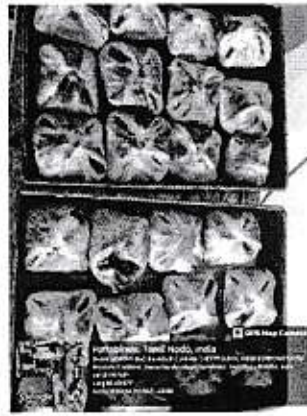

Through this programme he trained the students to make 28 bakery products which includes cake and biscuit varieties, bun and puffs. The students themselves prepared the products with the guideline and instruction of shri. M.S. Khanna, it was a best learning experience for them.
